

2009/2010 Volunteer Interest Form

FWES PTA coordinates wonderful programs that take many volunteer hours to run successfully. Whatever your skills or availability, we need your help. List one adult as "Volunteer #1" and the other as "Volunteer #2" and mark areas of interest. (Grandparents are invited too!) Committee chairs should contact you by mid-Sept. However, PTA LEADERS are also volunteers with other priorities so feel free to initiate contact.

Do you have additional ways that you could help out at Farmington Woods that's not covered on this form?

For example, do you speak another language or have a background in science, marketing or advertising, music, or finance? Do you know how to sew? Are you knowledgeable about computers or grant opportunities? Does your company match funds for tax-exempt (non-profit) organizations like the PTA, or would your business be interested in donating goods?

Please contact Linda Puertolas (468-1254 or frinda@yahoo.com)

Do you have ideas for other programs? We know that lots of children transfer to Farmington Woods from other schools. We'd like to know about PTA programs you enjoyed at these schools. We might not be able to launch these programs this year because of funding and staffing, but we're open to ideas for future planning.

Please contact Erin Allard (303-1622 or mrsallard@earthlink.net) with program ideas.

Please contact Denise Dell (851-0342 or cdell@nc.rr.com) with fundraising ideas.
